

CRESCA PRIMARY ENROLMENT PROCESS:

School visits are a wonderful opportunity to take part in an open house, conduct admission interviews, attend classes and speak with school administrators, teachers, students and even parents.

Completing an inquiry form through the school's website or sending an email is a quick and easy way to signal that your family is interested in applying, however that does not guarantee entrance or acceptance to the school.

A meeting will be scheduled to meet with the parent/s of the child(ren), during this meeting the parents will be taken through school for a quick viewing of our premises. You are more than welcome to bring your child along.

A follow-up session will be scheduled where the learner will visit the potential class and class teacher for the day. This appointment will be scheduled at reception, no tests or assessments will be conducted during the class sessions, the learner will only need to bring along a backpack containing stationery and lunch.

Should your child be accepted at Cresca, an acceptance letter will be sent via email. Upon receiving an acceptance letter, the parents have to hereby CONFIRM their child's attendance at Cresca Primary within 3 days of receiving the acceptance letter via email. Fees to secure the learner's space must be paid within 21 days of acceptance. The application will be processed once all necessary documents have been completed and all fees have been received.
